Aquasol Diaphragm/Metering Pumps 5 Year Diaphragm Warranty

FCO Series

Aquasol Controllers now stocks our own unique line of solenoid driven diaphragm pumps which are designed specifically for the pool and spa industry. These reliable pumps are self venting for off-gassing chemicals like chlorine, have solid machined PTFE diaphragms with a 5 year warranty, PVDF heads that are impervious to most chemicals, machined stainless steel solenoid drives, wall-mount enclosures sealed to meet IP65 standards, Viton o-rings, corrosion resistant double ball check valves, and stroke frequency adjustment. UL Listed and NSF/50 certified.

Available with digital pulse input control at no additional charge.
